

19th Annual Kinzua Heritage Festival

Vendor Application

August 23-25th 2024

All new artisans and craftsmen wishing to vend at the festival, are asked to send 3 good photos of the work they plan to sell. Please send these with your application. These photos will be used to jury entry and place you in a suitable location for your goods. (Please note, baked goods in your booth do not necessarily make you a food vendor, but needs to be included as one of your merchandising items.)

We strive to represent our Pennsylvania heritage at the festival; and ask that all artisans create their own work. It also reflects well on the festival if artisans wear period clothing, as they are about for the day. Demonstrating your craft is strongly encouraged. If you plan to demonstrate please state how much extra space you may need (no charge for demonstration area) with your application fee. Our hope is that all that come will enjoy their experience and learn from our historical past.

Each accepted vendor will be allotted an area for a 12' x 12' pavilion or pop-up shade. Food vendors accepted will be allotted an area of 12' x 24' if needed. (Only retail food vendors please)
