

20th Annual Kinzua Heritage Arts and Music Festival
Vendor Application
August 22-24th 2025

All new artisans and craftsmen, wishing to vend at the festival, are asked to send 3 good photos of the work they plan to sell. Please send these with your application. These pictures will be used to jury entry and help place you where your items will sell best. (Please note that baked good in your booth doesn't necessarily make you a food vendor, but is one of your items)

We are striving to preserve our Pennsylvania heritage at the festival, and ask the artisans to create their own works. If you are able to, it would reflect well if artisan and craftsmen wear period clothing, as they are about for the day. Demonstrating your craft is greatly encouraged, and if some extra space is needed let us know (extra demo space has no charge) as it is separate from your vending fee. Our hope is that all that come to the festival will be immersed in the historic past and enjoy all their experiences.

Each excepted vendor will be allotted an area 12' X 12' for their booth, which may be decorated to reflect your wares. Plots will not exceed 3 of these spaces, with the appropriate fee for each. Food vendors accepted, will be allotted 12' X 24' area for their booth with option to expand as needed.
