

**Kinzua Heritage Arts and Music Festival**  
**Vendor Application**  
August 21-23rd 2026

All new artisans and craftsman wishing to vend at the festival, are asked to send 3 good photos of the work they plan to sell. Please send these photos with your application or via email (address below). These pictures will be used to jury entry and help place you where your items will best sell. (Please note that baked goods in your booth does not necessarily make you a food vendor, but just one of your items.)

KHF staff strive to preserve our Pennsylvania heritage at the festival; and ask the artisans to create their own works. If you were able, it would reflect well if the artisans and craftsmen wear period clothing as they are out and about for the day. Demonstrating your craft is greatly encouraged, and if some extra space is needed, let us know. Extra demo space has no charge as it is separate from your vending fee. Our hope is that all our patrons visiting this years festival, will be immersed in the historic past and enjoy all the experiences we provide.

Each accepted vendor, will be allotted an area 12 x 12 for their booth, that may be decorated to reflect your wears. (neatness is assumed)

Plots **will not** exceed 3 of these spaces. (appropriate fee apply)

Food vendors accepted, will be allotted 12 x 24 area for their booth with option to expand if needed.
